Southampton March 29th., 1924.

Secretary,  
LONDON.

Dear Sir,

We beg to enclose herewith a plan shewing scantlings of mast proposed to be fitted on board the Aux. Yacht "FLYING CLOUD", to be used also as an exhaust pipe to the engines. The water cooled condenser is being fitted at the lower <sup>END</sup> and the diameters are arranged to suit the existing holes in the deck.

Messrs. Thornycroft & Co. Ltd. would like a reply at the earliest, as the vessel is expected to arrive at this port in about two fortnight for fitting same.

We are, Dear Sir,

Yours faithfully,

*John A. Sowson.*
