Dear Sirs,

M.

I have to acknowledge the receipt of Mr. Ormiston's letter of the 12th instant respecting the arrangement of watertight bulkheads fitted in the Yacht "FLYING CLOUD", and the contents have been noted.

In reply thereto I am directed to state that this yacht may be considered as being divided up into five watertight compartments, and a suitable notation would be "4 BH" for record in the Yacht Register.

The profile plan forwarded by you for reference is being retained in this Office.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
