Enclosure.

10th May, 1927.

Dear Sirs,

M. I duly received Mr. Ormiston's letters of the 4th and 5th instant enclosing a plan of the watertight bulkheads as fitted in the Yacht "FLYING CLOUD" to enable a suitable notation of bulkheads to be assigned, and with regard thereto I shall be glad if you will be good enough to state whether the second deck is not watertight from frame 63 right aft, including the portion of the deck from frames 32 to 35, and that portion of the deck at the middle line in the passageway from frames 20 to 32.

The plan in question is returned herewith, and should be again forwarded to this Office with your reply.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
