14th September, 1925.

Dear Sirs,

M. I have to acknowledge the receipt of Mr. Ormiston's letter of the 10th instant enclosing a verified copy of the approved plans of midship section of the Yacht "FLYING CLOUD", and to thank him for his attention in the matter.

In reply to the second paragraph of your letter I have to state that no objection will be taken to the proposal to cut drain holes in the centre line girder, in view of the narrowness of the double bottom compartments.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
