Dear Sirs,

I am in receipt of your telegram of yesterday,
which being decoded reads as follows:-

"Yacht FLYING CLOUD if possible forward plan of
"midship section, decks and profile",

and in compliance with your request I send herewith the
original approved plans of midship section and profile for
this vessel when she was first constructed as a sailing ship
in 1917/1918.

I have, however, to point out that so many alterations
have been made to this vessel since she was converted into a
yacht that little or no reliance can be placed on these plans
as indicating the arrangements at present fitted in the
vessel.

Kindly return these plans by registered post, with
a special letter of advice, as soon as done with.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
GENOA.
