ENCLOSURE.

20th December, 1926.

Yacht "FLYING CLOUD"  
-----

Dear Sirs,

E.

I duly received your letter of the 13th instant enclosing sketch of part of shafting showing separate coupling and arrangement for preventing shaft drawing away in case the coupling should become slack, and with regard thereto I have to acquaint you that the proposed arrangement will be approved, provided the coupling be fitted as shown on the plan and to your satisfaction, and the Owners' consent be obtained.

I have to add that whilst it is recognised that the original arrangement of coupling might be preferable, no exception can be taken to the present proposal.

The sketch is returned herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
GENOA.

Secretary.
