Dear Sir,

S.Y. "FLYING CLOUD".

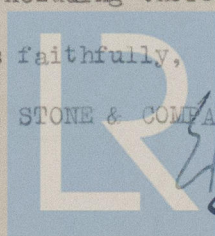

We beg to acknowledge with thanks, receipt of your favour of the 28th inst., Ref: "M", stating that the plan we sent you showing the hinged Windows proposed for the above vessel, will be approved, provided the arrangement as shown on the plan be fitted to the satisfaction of the Society's Surveyors.

We have taken due note of the remarks which you have put on the print in red ink, regarding the bedding of the glass and frame for watertightness. The bedding of the glass will, of course, be done by us in the usual way, and the Windows duly tested for watertightness. The bedding of the frame will be a matter for the Shipbuilders or who ever is responsible for the fitting of the Windows to the ship's plating.

With reference to your request that we should return the plan, we are sending you herewith an exact copy including thereon your note in red ink.

Yours faithfully,

J. STONE & COMPANY LIMITED.
