Dear Sirs,

M.

I duly received Mr. Robson's letter of the 23rd instant respecting the Yacht "FLYING CLOUD", and have to acquaint you that the contents have been noted.

One copy of each of the plans, forwarded with your letter of the 14th June last, of steering arrangement and sleeve coupling for the upper part of the rudder stock, are returned herewith, and I have to state that provided the arrangements be carried out as shown and amended and to your satisfaction, the proposals will be approved for a speed of nine knots.

The duplicate plans are being retained for reference.

I am, Dear Sirs,

Yours faithfully,

Secretary.
