13th July, 1926.

Dear Sirs,

II.

I am in receipt of Mr. Robson's letter of the 6th instant respecting the tensile and cold bend tests carried out on the rudder stock of the yacht "FIXING CLOUD", building by the Cantiere Navali Orlando, and I now await the receipt of the torsion tests.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
