21st June 1926.

Dear Sirs,

M I am in receipt of your letter of the 14th instant forwarding plans of steering gear and sleeve coupling for upper part of rudder stock for the Yacht "FLYING CLOUD", and with regard thereto I shall be glad if you will obtain and forward to this Office the test results on the material of the shaft forming the extension of the rudder stock.

This information is required in order that a comparison with the main stock may be made, and on its receipt the case will be promptly dealt with.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
