Enclosures.

29th December, 1925.

Dear Sir,

M.

I duly received Mr. Ormiston's letter of the 26th instant enclosing a plan in duplicate shewing the proposed arrangement of shell plating of the yacht "FLYING CLOUD", and with regard thereto I am directed to state that the arrangement of butts indicated thereon meets the Rule requirements. A stronger arrangement could, however, have been obtained by the butts being shifted as pointed out by you, but as the material is all delivered it is not considered that any further objection should be raised to the proposal.

The plans in question are returned herewith.

I am, Dear Sir,

Yours faithfully,

Secretary.

N.G. Turnbull, Esq.,

GENOA.
