19th October, 1925.

Dear Sirs,

M. I enclose for your information and guidance a copy of a letter which has today been addressed to Messrs. Fratelli Orlando & C., respecting amended plans approved for the Yacht "FLYING CLOUD".

The plans sent for reference with your letter of the 14th instant are returned herewith as desired, but I have to point out that these plans will be superseded by those now approved, and the old plans should be returned to this Office for cancellation.

The verified copy of plan No. 2771 has been retained.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyers,  
GENOA.
