2 ENCLOSURES

8th March, 1926.

Dear Sirs,

H.

I return herewith the plans, forwarded with Mr. Ormiston's letter of the 20th ultimo, of aft end structure of the Yacht "FLYING CLOUD" Building by Messrs. Fratelli Orlando & C. and with regard thereto I have to state that provided the arrangements be carried out as shown and amended, and to your satisfaction, they will be approved.

It will be observed that the outboard length of shafting is not the same as shown on the plan approved on the 30th December 1925 (a copy of which has been forwarded by the Builders, as requested by you), and I shall be glad if you will forward a plan of "A" brackets and support of shafting with their connections to the hull, for consideration.

I shall also be glad if you will obtain and forward to this Office verified copies of the approved plans.

I am, Dear Sirs,

Yours faithfully,
