

Yacht "FLYING CLOUD"

Plans of after end structure (2) submitted by the  
Genoa Surveyors.

It is submitted that provided the arrangements  
be carried out as shewn and amended on the plans, and to  
the Surveyors' satisfaction, the same will merit approval.

The Surveyors should note that the outboard  
length of shafting is not the same as shewn on the plan  
approved on the 30th December 1925, and that a plan of A  
<sup>and support of shafting</sup>  
brackets with their connections to the hull should be  
submitted.

Verified copies of the approved plans should be  
obtained and forwarded to this Office.
