RETAIN

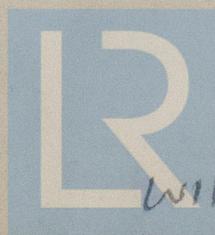

*adm*

The screwshaft survey of this vessel became due last month, and in reply to inquiry the Owners' representative now states that the Owners do not intend to maintain the vessel's classification.

The case received the consideration of the Classing Committee on Friday, the 21st instant, when it was decided to give instructions for the vessel's class to be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.
