Messrs Lloyds Register of Shipping,
342, Argyle Street,
Glasgow.

Dear Sirs,

S.S. "DALRIADA"

With reference to telephone conversation with your Mr. Warlow, I beg to state that Owners, at my recommendation, built above steamer to your requirements so that they might have the advantage of your rules and supervision during construction. As stated at the time they had no intention of continuing under your classification.

Yours truly,

Arthur C. Miller

Mr. Warlow.
