INCIPAL SURVEYOR FOR ITALY:
 N. G. TURNBULL.

SHIP SURVEYORS:
 M. COSTANTINI, B.Sc.
 G. MAJZEN, B.Sc.
 M. MICALICH.

Ans. 1910
LONDON

s.s. "PROMONTORE".

Dear Sir,

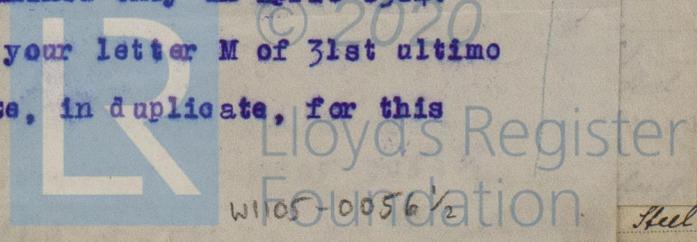

We have to acknowledge the receipt of your telegram as follows:-

- PROMONTORE = Vessel's name
- DELIKECVOF = Forward approved plan(s) and
- ENKUS = first entry report,

and in compliance with your request the first entry report No. 6791 on the above steamer is being forwarded herewith.

It would appear that the survey for classification is now complete with the exception of the comparison of the vessel's donkey boiler with the plan and of the adjustment under steam of the donkey boiler safety valves. We are now informed by the Owners that they have not been able to obtain a copy of the respective plan and in the circumstances arrangements have been made for the scattlings of this boiler to be taken on the vessel's return to this port in about onw week's time, on which occasion the main boiler will also be submitted to examination, it having been examined only in April 1924.

We also received today your letter M of 31st ultimo enclosing the freeboard certificate, in duplicate, for this

Angles on upper edge	✓	✓

steamer and with regard to your remarks regarding the conditions of assignment, we beg to confirm our hull Report No. 6786 which was sent to you on 26th ultimo, together with the freeboard verification form, and shall be glad to learn whether the Committee are agreeable to accept in this instance the hatch webs without additional strengthening.

I am, Dear Sir,

Yours faithfully,

Prof. J. J. ...

For the Surveyors.
