Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

9th May, 1924.

Dear Sirs,

I have to inform you that the steamer "VILLE DE BELFORT", No. 36473 in the Register Book, has been under survey at Bordeaux with a view to classification with this Society.

It is stated that the vessel is bound to your port via the Bristol Channel, and on her arrival about the end of this month the remaining requirements will be complied with. I shall therefore be glad if you will be good enough to give the matter the necessary attention.

The reports received from the Society's Surveyors at Bordeaux are enclosed herewith, and you should obtain the scantlings of the various parts of the vessel which it will be seen from the First Entry Report the Bordeaux Surveyors have been unable to obtain.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

TRIESTE.
