LONDON

Dear Sirs,

Mr. Carlo Martinolich, of Messrs Carlo Martinolich & figlio, has called to-day in this office and informed us they have bought the steamer "VILLE DE BELFORT", No. 36473 in Register Book, which is at present in dry dock at Bordeaux, subject to examination of bottom in dry dock by the Society's Surveyors.

As Messrs Carlo Martinolich desire the vessel to be classed with this Society, they requested we may arrange for you to give telegraphic instructions to the Bordeaux Surveyors in order that they may attend tomorrow the case and carry out the examination of bottom and tailshaft, while the vessel is in dry dock, with a view to commencement of the classification survey.

We have therefore wired you today as per translation attached herewith.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
