RETAINED

the Overseas Transport Services attend on board the S. S.
"WARRANDON" 4305 gross tons of Montreal, while the vessel
was lying at the yard of Messrs. Canadian Vickers Ltd, Montreal,
for the purpose of testing the Nos. 1, 2, 3, 6, 7, & 8, double
bottom tanks.

These tanks were found to be or made in
good and tight condition, and in my opinion are suitable for
the carriage of Admiralty Fuel Oil.

Fee \$50.00
