The class of this vessel is subject to the rudder mainpiece, repaired by electric welding 7.22, being specially examined at the next drydocking.

In a letter dated 27th March the Society's Surveyors at Kobe state that they have received a communication from the Owners stating that in view of the present and future service this vessel will be engaged upon, they have decided to withdraw her class from the Society's Register Book.

In the circumstances, the Classing Committee, who had the case before them on Tuesday, 23rd instant, decided to give instructions for the class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
