Survey Due 2nd Special Survey No 2 due 1, 28.

A proposal to carry out the above survey within the year of grace was agreed to by the Committee.

On the 31st January last the Aberdeen Surveyors stated the Owners were considering withdrawing the vessel from classification, in view of her age and condition, and that they had intimated their intention to hold a preliminary examination on her return in a few days' time, with a view to ascertaining the cost of the survey before coming to a decision. In the circumstances the Committee deferred consideration of the case for a short time.

2. "VICTOR".

The Aberdeen Surveyors now state that the position as regards this vessel is somewhat uncertain owing to the Owner having died recently. The vessel is to be sold, and the Superintendent states that on account of her condition the vessel will probably be taken out of class.
