QUESTION.

ANSWER.

With reference to the 2nd Special Survey No.2 which became due on this vessel at the end of January 1928, I shall be glad if you will ascertain and let me know within what time it is now expected an opportunity will occur for this inspection to be carried out, in view of the fact that the year of grace will expire at the end of this month.

The Owners are considering, in view of the age and condition of this vessel, withdrawing her from classification. They state that on the vessel's return in about one weeks' time, they will hold a preliminary examination with a view to ascertaining the cost of the survey before deciding the matter.
