14th February, 1929.

Dear Sirs,

S. With reference to the classification in this Society's Register Book of your steel barge "SOCONY No.1", I beg to acquaint you that the Committee have had before them at their Meeting to-day a communication received from the Society's Surveyors at Nagasaki, from which it appears they have been informed by your Office at that port that it is not desired to maintain the vessel's character in the Register Book, and I am directed to say that in view of this intimation instructions have been given for the class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

I am, Dear Sirs,

Yours faithfully,
