Survey Due Screwshaft Survey due March, 1927.

In June last the Committee agreed to
the above survey being postponed for two months.

The Susak Surveyor now states he is
informed by the Owners that they propose to have this
survey carried out when the vessel is drydocked in
January.

*Submitted for the consideration
of the Committee whether action
might be deferred provided the
survey of the screw shaft be held
without fail, as promised.*
