Dear Sir,

Reverting to our letter of 19th instant we have to inform you that cargo battens have not yet been fitted in the hold of this vessel. The Owners state that arrangements have been made for this to be done on the occasion of the next dry docking in about three months' time.

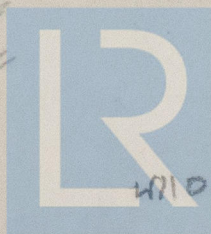

No examination of the vessel itself having been made recently I am unable to recommend her for a fresh record of survey.

I am, Dear Sir,

Yours faithfully,

The Secretary,
