For Lighthouse Inspection Service
in the Greek Archipelago

The screw shaft of this vessel became due for
survey in December last.

In a letter, dated 30th ultimo, addressed to
the Society's Surveyors at Piraeus, the Director of Technical
Services, Greek Ministry of Marine, states that as this steamer
is now a unit of the Greek Navy, it is not desired to maintain
her classification with this Society.

The case received the consideration of the
Classing Committee on Friday, 14th instant, when it was
decided to give instructions for the vessel's character to be
withdrawn from the Register Book and three dots (...) inserted
in lieu thereof, indicating withdrawal of class at Owners'
request.

20th February, 1930.
