20th March, 1941.

S Dear Sirs,

With reference to my letters of the 25th September and 30th January last relative to the steamer "PENNLAND", formerly classed with the Germanischer Lloyd, I beg to acquaint you that the Committee have now had this case under their consideration and in view of the revised arrangements now in force and the satisfactory report received from the Belfast Surveyors on the recent drydocking of this vessel, they have now decided to extend the validity of the notation "Examined L.R. 8,40" assigned in this case to enable the vessel to trade for a period of twelve months from that date.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
