Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

27th November, 1929.

Dear Sirs,

I have to acquaint you that the Boiler Survey of the steamer "OSTPREUSSEN" has been partly held at Konigsberg, and to entitle the vessel to the record B.S. 11,29 the port and centre boilers require to be examined under steam and their safety valves adjusted.

The Danzig Surveyor has been informed that this will be done at Antwerp, Rotterdam or Danzig, and I am informed by the Surveyors at Antwerp that the vessel has left that port for Rotterdam without having been submitted to inspection, and in the circumstances I shall be glad if you will give the case the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

ROTTERDAM.
