Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

22nd November, 1929.

Dear Sirs,

I have to acquaint you that the Boiler Survey of the steamer "OSTPREUSSEN" has been partly held at Konigsberg, and to entitle the vessel to the record B.S. 11,29 the port and centre boilers require to be examined under steam and their safety valves adjusted.

It is stated that this will be done at Antwerp, Rotterdam or Danzig, and as the vessel appears to have arrived at Antwerp on the 14th instant, I shall be glad to learn how the case stands.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

ANTWERP.
