The Second Special Survey No.1 of this vessel became due in December, 1928, and the boiler required to be repaired before the end of June last.

In a letter, dated 12th ultimo, the Owners state they have decided to withdraw the steamer from the Society's Classification.

The Classing Committee had the case before them on Tuesday, 31st ultimo, and in the circumstances decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

2nd January, 1930.
