 Oil Engines.

This vessel became due for First Special Survey No.2 in November last, but the Owners state that as she is only engaged in trading between the Adriatic and the Mediterranean and they are compelled to class her with the Registro Italiano, they have decided to withdraw her from this Society's Classification.

The case received the consideration of the Classing Committee on Tuesday, 10th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

12th December, 1929.
