Messrs Lloyds Surveyors,  
Greenock.

Dear Sirs,

With reference to your enquiry of to-day's date re registered Owners of the new steamer "Hazel Dollar", this vessel is really owned by the "HAZEL DOLLAR STEAMSHIP COMPANY, LIMITED", of Victoria, British Columbia. Mr Robert Dollar is the President of this Company, but, unfortunately, his papers were not in order and he was unable to register the vessel in the name of the Company and the vessel was therefore registered in the name of our Mr James Hunter Hutchison with Mr Robert Dollar of Victoria, British Columbia, as Manager. Mr Hutchison will, as soon as the necessary papers arrive, transfer the vessel back to the Company, so that perhaps it would be better for you to keep the certificate in your possession until the vessel has been registered by the Company.

Yours faithfully,

*J.A. Rodger*
