Dairen, 2nd July 1929.

John Sim, Esq.,
Surveyor to Lloyd's Register,
Present.

Dear Sir,

Referring to our yesterday's conversation, I regret to inform you that our S.S. "Chojun Maru" has already been withdrawn from Lloyd's Register.

However, considering credit and system of your association, I instructed our staff not to withdraw any more of our ships from Lloyd's Register without any special reason. Under the circumstance, it stopped to withdraw from the said Register our S.S. "Mantatsu Maru" which is now in Harima Dock, Japan and was intended to withdraw.

Hoping your kind assistance,

Yours faithfully,

Dairen Kisen Kaisha,

Y. Masuda,

Managing Director.
