TS 2,29 OG

Oil Engine

The class of this vessel is subject to 15 fathoms
of chain cable being placed on board and to the damaged shell
plate Al on the starboard side being renewed.

The vessel has recently been sold to a Norwegian
Owner, and the Oslo Surveyors now state that they are
informed by the new Owner that the class has been transferred
to the Norske Veritas, and that this Society's class will
be dropped.

The case received the consideration of the
Classing Committee on Friday, the 18th instant, when it
was decided to give instructions for the vessel's class
to be withdrawn from the Register Book, and three dots
(...) inserted in lieu, indicating withdrawal of class
at Owner's request.

E.H.

24th October, 1929.
