Todbodgaten 20,

Oslo, 26 november 1925

Dear Sir,

Referring to your letter of the 18th instant respecting the motor vessel "BURE", we beg to acquaint you that the owners now state that they have instructed the master to arrange for the additional painting arrangements to be fitted at the next docking of the vessel, which will probably take place at Las Palmas in February 1926, and they trust that this will be in order.

We are, Dear Sir,

Yours faithfully

The Surveyors

THE SECRETARY
