London.

Sir

I have to confirm the following cable  
reached to you today - "Bure on ship  
day port survey held" -  
arrival of the "San Mateo" at Santa Cruz  
Teneriffe I discovered that the "Bure" was  
at another Teneriffe port viz. Protaka  
and not be in Las Palmas until today.  
One time in the survey work I left Santa  
Cruz Monday morning & joined the "Bure" in  
the afternoon.  
I did not leave till the Tuesday night  
quite a lot of necessary details for survey.  
It is expected to go up on the shipway  
now, Thursday, afternoon.

I am,

Dear Sir,

Yours faithfully,

Arthur Palmer
