OUSE SHIPBUILDING YARD,
RIVERSIDE,
SELBY.

Friday, 14th September, 1906.

Messrs The Surveyors,
Lloyds Register,
Ocean Chambers,
Lowgate,
H U L L.

Gentlemen,

With reference to the light anchor for No.380 "Aurora" we have a letter this morning from the Owners in which they state that if we can get Lloyds to accept this anchor we shall raise no objection, as such a course seems likely to save a considerable waste of time.

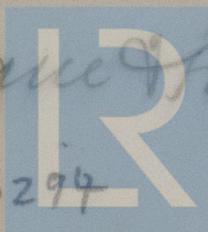

We return herewith the certificate for this anchor, and shall be glad to hear that the matter is now in order.

We notice that the same anchor for Nos 381 and 382 are respectively 16 and 17lbs light, and the Owners suggest the same course be adopted with regard to these two.

Please let us know if this meets with your approval for all three.

Yours faithfully.

Cochrane & Sons
