

**OUTFIT AND SPARE GEAR.** To be supplied with engine, as follows :-

Lamp Burner.....	1	for each engine
Piston Rings.....	4	for each cylinder.
Injection Mouth Piece.....	2.	for each cylinder
Delivery Valve for Fuel Pump.....	1	for each cylinder
Suction Valve " " ".....	1	for each cylinder
Valve Balls.....	3	ditto
Valve Springs.....	6..	ditto
Oil Valve for Lubricating pump.....	1	ditto
Oil Valve for spindles for Lubricating Pump.....	3	ditto
Spiral Springs for Fuel Pump.....	1	ditto
Spiral Springs for Reverse Pump.....	1	ditto
Speed regulator Springs.....	2	ditto
Air Valve Springs.....	3	ditto
Ebonite plate to governor.....	1	ditto

**EXTRA SPARE GEAR.** To Lloyds requirements, to be supplied with engine as follows :-

2. Bolts for Crank pin brasses.
2. Bolts for Gudgeon pin brasses.
1. Suction Valve for Bilge pump.
1. Discharge Valve for Bilge pump.
1. Suction Valve for Circulating water pump.
1. Discharge Valve for Circulating waterpump.
3. Studs for cylinder cover.
1. Stud for cylinder.
1. Stud for Thrust bearing.
1. Stud for Lubricator.
2. Studs for Main bearings.
1. Bolt for Eccentric Rod.
1. Bolt for rocking arm.
1. Bolt for regulator weight.

**TOOLS.** To be supplied with engine as follows :-

1. Oil Can.
1. Spirit Can.
1. Gauge for Fuel Pump.
4. Wrenches.
1. Shifting Spanner.
1. Key for Circulation Pump.
1. Key for Oil Valves.
1. Hook for Piston.
2. Keys for Fuel pump.
2. Valve keys.
1. Screw-driver.
1. Screw -driver for valves.
1. Key for coupling.
1. Wrought Iron Turning bar.
