became due for Modified Survey of the Oil Engines and for
screw shaft survey in August last.

In reply to enquiry, the Owners state it is not
desired to maintain the vessels in the Society's Classification,
and in the circumstances the Classing Committee, who had the
cases before them on Friday, 22nd instant, decided to give
instructions for the character of each tug to be withdrawn
from the Register Book and three dots (...) inserted in lieu
thereof, indicating withdrawal of class at Owners' request.

28th November, 1929.
