Dear Sir,

Further to our memorandum dated the 18th instant with reference to the withdrawal of class of the motor tugs "IPACARY" and "ISIRY" from the Register Book, we now enclose a letter received from the Owners in which they stated that they have no interest in retaining these vessels in their class. The names of these tugs are spelt as stated in the Owners' letter.

We are, Dear Sir,

Yours faithfully,

The Surveyors.
