Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th August, 1930.

Dear Sir,

S.

I am favoured with your letter of the 11th instant returning the freeboard certificate for the Steamer "MICHAEL", which is now no longer classed with this Society, and in reply to your enquiry as to when the steamer's classification ceased, I would refer you to my letter of the 13th May last.

You will also see, on reference to the Society's Register Book, that the vessel's class is indicated as having been expunged with a black line in May 1930, thus 5.30.

I am, Dear Sir,

yours faithfully,

Secretary.

D.M. Logothetis, Esq.,
