Reference

H. C. Ascough Esq.,
LONDON.

Dear Mr. Ascough,

I have your letter of 15th instant, regarding fees outstanding due to the Cardiff Office, in the case of the steamer "MICHAEL". We are keeping this before us and will endeavour to arrange for payment as soon as a suitable opportunity arises.

The Owner himself is apparently at present in London, and, as you will see from the correspondence, has just made an unsuccessful attempt to further postpone the completion of the survey.

With kind regards,

Yours faithfully,

W. H. Davies
