# Lloyd's Register of Shipping.

Port of DUNKIRK.

31st March, 1930.

N°2283.

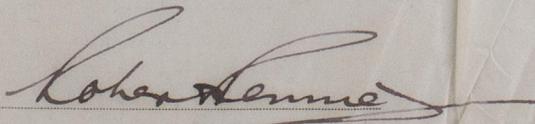

This is to Certify that I have

surveyed the Steel Screw Steamer "MICHAEL", 5071 Tons  
gross, N°28426 in the Register Book, whilst lying afloat in the  
Dunkirk Docks on the 19th March, 1930, and on subsequent dates,  
no damage stated to have been caused by heavy weather during  
the voyage from Conception to Dunkirk,-----

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report, stating that all temporary  
repairs recommended by me have been completed to my satisfaction, and

that I have **Recommended** that she be continued in her present  
service, viz., "\* 100 AI", without fresh record of Survey, subject  
to permanent repairs being carried out before loading and to all  
outstanding requirements being carried out as previously  
recommended.-----

and being fit to carry to proceed to the United-Kingdom for repairs.

Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
The Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is  
understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for  
any error or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other  
document of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents
