The Second Special Survey No.1 of each vessel became due in June 1929.

In reply to enquiry, the Aberdeen Surveyors forward a letter from the Owners, stating that they no longer desire to retain the vessels' classes in the Society's Register Book.

In the circumstances, the Classing Committee, who had the cases before them on Tuesday, 3rd June, decided to give instructions for the classes to be withdrawn and three dots (...) inserted in lieu in each case, indicating withdrawal of class at Owners' request.
