The First Special Survey No. 1 became due on this vessel last month, and the Oslo Surveyors now forward a letter from the Owners, intimating that they do not intend to maintain her class with this Society, but to class her solely with the Norske Veritas.

The case received the consideration of the Classing Committee on Friday, the 16th instant, when it was decided to give instructions for the vessel's class to be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.
