Dear Sirs,

S.

I was early favoured with your letter of the 27th instant having reference to the case of your Motorship "VIDA", from which it is noted that you have now finally decided to withdraw her from the Society's classification.

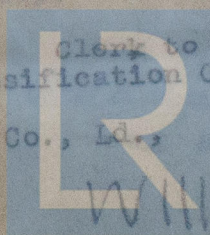

As previously intimated in my letter of the 17th October last, instructions had been given for the vessel's character to be withdrawn from the Society's Register Book and three dots inserted in lieu thereof, and this decision has already taken effect, but the vessel's class would have been reinstated upon receipt of a report from the Society's Surveyor at Kingston, stating that the general examination required had been carried out to his entire satisfaction.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
