RETAIN

20th July, 1926.

Dear Mr. Sowden,

With reference to your first entry report No.1058 on the Barge "B.A.1" built by the Sociedad Espanola de Construcción Naval, I observe from the note you have made thereon that you have no record of the Special Survey Request Form in the Cadiz Office. We cannot trace such a form having been received in this Office, but I shall be glad if you will, in all future cases of vessels being built under your survey, kindly see that a Request Form is signed by the Builders and forwarded here.

With kind regards,

Yours faithfully,

T. E. Sowden, Esq.,
CADIZ.
