reference

Dear Sir

With reference to my report on the Water Barge "B.A.I." I beg to inform you that while at Sevilla on the 30th ulto. I made further enquiries with regard to the measurement of the registered dimensions by the Spanish Authorities, and was informed that no action had as yet been taken in the matter.

In view of the continued delay it has been thought advisable to complete the report by filling in the approximate dimensions & tonnages as supplied by the builders, and it is therefore enclosed herewith for the consideration of the Committee

I am Dear Sir
Yours Faithfully
Thomas E. Snowden.

The Secretary
London.

P.S. The approved plan of rudder & tiller will be forwarded when obtained from the builders who have meantime mislaid it. Y.E.S.
