Dear Sirs,

S. With reference to your steamers "EAREN", "MARGRETE",
"SERID" and "THYRA", I have to inform you it is understood
from this Society's Surveyors at Copenhagen that it is not
your intention to maintain the classification of these four
vessels with this Society.

In the circumstances I am of the opinion
that the Committee, who had these cases
meeting today, have given instruction
these vessels to be withdrawn from
lots (...) inserted in lieu of
withdrawal of class at owner's request.

I have to add
these vessels' classes
by the Committee, together
will also be withdrawn
case, is thereby cancelled.
